Ask HN: What is the market size of "collaborative web applications"? - kulkarni I've been working on a collaborative application called 'CollaborateD' (The 'A' in CollaborateD is for the (affordable, open source, powerful) toolset. The 'D' is for the (dynamic, easy to extend) data model. In short, I've been making a "Powerful Collaborative Application" since college, and I've had my sights set on the "Social Networking Business". I currently believe I'm the first person on the market to make a ' 2d92ce491b
